# Professional Nursing (RN) Bridge

LPN to Associate of Science in Nursing Degree

BTC Bolivar Technical College

BTC. Where we know you by name, and help is always available.

The opportunities for RNs are almost limitless. You could opt for the fast-paced environment of the ER, a somewhat slower-paced long-term care facility, or anything from clinics to hospitals, nursing homes to home health. There are not enough trained RNs to fill all of the open jobs, so nurses are in a great position.

Starts every summer

Program length:
3 semester / 47 weeks

100%
NCLEX pass rate for 2023 RN grads

BTC Graduates have a great reputation among local healthcare facilities, which is why nearly every one of our graduates is able to secure a job right out of college.

"BTC appears to graduate very well-rounded nurses that are superior to other graduates in technical skill and assessment."

-BTC grad's supervisor at Mercy
